

Tetyana Ilyina

ilyinatany86@gmail.com

Education	
2015	Defended the Doctorate thesis in Pharmacy: <i>Pharmacognostic Study in the Family Rubiaceae Species and Prospects of their Applications in Medicine</i> Specialty: Pharmaceutical Chemistry and Pharmacognosy
1990	Defended PhD thesis: <i>Synthesis and Biological Activities of Derivatives of Anthraquinonsuccinaminic Acids and Standardization of Raw Materials and Preparations of Rubia tinctorum</i> Specialty: Pharmaceutical Chemistry and Pharmacognosy
1986-1989	Kharkiv Pharmaceutical Institute, Kharkiv, Ukraine, post-graduate degree
1981-1986	Kharkiv Pharmaceutical Institute, Kharkiv, Ukraine, specialist, specialty <i>Pharmacy</i>
Academic degree	Doctor of Pharmacy
Employment	National University of Pharmacy, Kharkiv, Ukraine,
1989-present:	Department of Pharmacognosy
1989-2005	Assistant
2005-2016	Assistant-Professor, Docent
2016-present	Professor
Scientific interests	<ul style="list-style-type: none">• Synthesis and study of biological activity of Anthraquinonsuccinaminic acids and their derivatives;• Morphology-taxonomic, chemo-taxonomic and phytochemical study in species of families <i>Rubiaceae</i>, <i>Rosaceae</i>, <i>Fabaceae</i>, <i>Plantaginaceae</i>, <i>Asteraceae</i> of the flora of Ukraine and neighboring countries;• Standardization of raw material and preparations of <i>Rubia tinctorum</i>.
Scientific works	Author and co-author of over 390 scientific and methodological works, including three authorship certificates, 25 patents, 124 articles, 200 theses, two scientific, methodical recommendations, six information letters, one study-book, four study manuals, nine methodological recommendations, six national standard programmes, and 30 entries in Pharmaceutical Encyclopedia.
Profile	Tetyana Ilyina, Tetyana Ilyina, http://orcid.org/0000-0003-3728-9752
Languages	Ukrainian, English, and Russian
