First Announcement

LADIES AND GENTLEMEN

The Lublin Society of Pharmaceutical Sciences, the Botanical Garden of the Maria Curie-Skłodowska University in Lublin, and Lublin Branch of the Polish Academy of Sciences are pleased to invite you to the 5th International Conference and Workshop "Plant – the source of research material", which will be held on June 21-24, 2017 at the Conference Centre of the Victoria Hotel, 58/60 Narutowicza Street, Lublin.

The major objective of the Conference is exchange of experience and establishment of cooperation between specialists of various disciplines focused on the plant as the subject of research and interest.

We hope that the speeches delivered and original presentations of scientific achievements will be a starting point for new research projects.

Topics of the Conference:

Biodiversity

Anatomy, Cytology

Biotechnology, Cell biology

Physiology, Phytochemistry

Cultivation and processing

Modern separation techniques

Ethnopharmacology, Pharmacology

Toxicology

Quality Control

Varia
